john devoted a huge chunk of his life to trying to be a professional gamer a pursuit that was mocked by many including his own parents now in his thirties with a wasted decade behind him he s starting to realize that maybe the critics were right to mock him he s jobless has no degree and he s single but there is a girl john has played with billie rae online a few times she s sweet funny and the two play well together until they discover that they live in the same city then billie rae gets uncomfortable and ghosts john at least that s how it seems and then a wealthy entrepreneur reaches out to john he wants john on his new pro gaming team it s a shocking dream come true for john and it s an even bigger shock when he moves into the team house and meets his new teammates one is a beautiful petite e girl she s sweet funny talented and it turns out john already knows her he s played with her many times before his new teammate is billie rae and john doesn t know it just yet but he might just know billie rae even better than he realized

aiming with each new edition to increase awareness and understanding of the scale and diversity of the cross dressing and transgender phenomena the 11th edition features many unique and inspirational photo reports from around the world with over 1000 photos the aptly named tranny bible is not just for transgendered people anymore

joyful occasionally heartbreaking deeply moving r j palacio bestselling author of wonder in the debut middle grade novel from 1 new york times bestselling author gayle forman comes a poignant and powerful coming of age story that follows a young girl and her new friend as they learn about family friendship allyship and finding your way in a complicated world it s the summer of 1987 and all ten year old bug wants to do is go to the beach with her older brother and hang out with the locals on the boardwalk but danny wants to be with his own friends and bug s mom is too busy so bug is stuck with their neighbor philip s nephew frankie bug s not too excited about hanging out with a kid she s never met but they soon find some common ground and as the summer unfolds they find themselves learning some important lessons about each other and the world like what it means to be your true self and how to be a good ally for others that family can be the people you re related to but also the people you choose to have around you and that even though life isn t always fair we can all do our part to make it more just

for many years springer has been publishing an impressive series of textbooks of pharmacology which have set standards in medical science surprisingly an extensive overview of the current state of the art in research on estrogens and anti estrogens was still lacking the present two volumes on estrogens and anti estrogens provide a comprehensive review of a field of research in which remarkable progress has been made over the past few years new insights into the mechanisms of steroid hormone action resulted in a tremendous number of publications from which new principles of preventive and therapeutic applications of estrogens and anti estrogens emerged although various electronic data bases provide easy access to this copious information there was a clear necessity for a monograph style textbook which assesses and summarizes current knowledge in this rapidly expanding field of research it should be noted however that due to this dynamic development it is barely possible to comprehensively update every aspect of basic and clinical knowledge on estrogens and antiestrogens thus the intention of the editors was to provide the reader with an overview of the classic and most recently explored areas of research and stimulate future interests in basic and applied endocrinology estrogens were among the first steroid hormones described in the scientific literature since they were first isolated since the chemical synthesis and pharmacological characterization of naturally occurring estrogens and later on of orally active derivatives estrogen research has produced continuously landmark results in reproductive endocrinology worldwide

in the resistance to the violence of gender based oppression vibrant but often ignored worlds have emerged full of nuance humour and beauty correcting an absence of writing about contemporary feminist work by canadian artists desire change considers the resurgence of feminist art thought and practice in the past decade by examining artworks that respond to themes of diversity and desire essays by historians artists and curators present an overview of a range of artistic practices including performance installation video textiles and photography contributors address the desire for change through three central frames how feminist art has significantly contributed to the complex understanding of gender as it intersects with sexuality and race the necessary critique of patriarchy and institutions as they relate to colonization within the canadian nation state and the ways in which contemporary critiques are formed and expressed heavily illustrated with representative works desire change raises both the stakes and the concerns of contemporary feminist art with an understanding that feminism is always and necessarily plural

a timely second edition of the classic text on transgender history with a new introduction and updated material throughout covering american transgender history from the mid twentieth century to today transgender history takes a chronological approach to the subject of transgender history with each chapter covering major movements writings and events chapters cover the transsexual and transvestite communities in the years following world war ii trans radicalism and social change which spanned from 1966 with the publication of the transsexual phenomenon and lasted through the early 1970s the mid 70s to 1990 the era of identity politics and the changes witnessed in trans circles through these years and the gender issues witnessed through the 90s and 00s transgender history includes informative sidebars highlighting quotes from major texts and speeches in transgender history and brief biographies of key players plus excerpts from transgender memoirs and discussion of treatments of transgenderism in popular culture

eleven stories on themes of male to female transgenderism tales of sex

change forced feminization sissy schools maid training petticoat punishment and cross dressing i was aunt mary s sissy an eccentric aunt who dislikes boys takes her nephew in hand and soon has the niece she desires i turned my husband into a girl classic tale from the point of view of the wife who is sure that things will work out better for both of them if john is turned into joanne many surprises and a breathtaking ending a walk on the wild side experience a taste of transgender real life eavesdrop on the conversation of two trans girls on the streets of manchester s gay village in the 1990s the lady of the lake dark ages fantasy inspired by the iron john story a fairy tale first set down by the brothers grimm explores the theme of recovering lost parts of ourselves how stephen became stephanie stephen s landlady conspires with his personnel manager at work to change him into a supermarket check out girl and part time maid new girl on the ward nicholas has always had a thing about nurses but he never dreams that one day he will be wearing that blue uniform himself the story of a young man s transformation into a female nurse mother s new daughter a mother begins her plan to feminise her son and change him into the daughter she has always wanted virtual reality woman by the early years of the new millennium there is an unemployed male underclass the feminist dr hannah klonek suggests a solution to make boys much more like girls a young male postgraduate is invited to wear the prototype total virtual reality suit and try out the program and so andy becomes laura a surprise awaits laura when she discovers what has been done to her real body jackie and melanie take charge kevin can t believe his luck when two attractive sophisticated women pick him up and take him back to their hotel room in bangkok but kevin has fallen into a complicated web of intrigue woven by two formidable female academics their research takes on a practical turn when they inveigle kevin into dressing as a girl and slowly kevin is transformed completely into an attractive blonde school for sissies francois is left fatherless and his mother lydia is appointed to a teaching job at a girls preparatory school having already taken pleasure in dressing her son as a girl while he was a toddler she decides he is to be enrolled at the school as a girl francoise settles into the life of a girl and spends five happy years at st saviours when francoise is eleven years old her mother begins to think about how francoise s education as a girl can be continued lydia resolves to start her own private high school for girls with the financial backing of wealthy friends lydia s special educational methods of corset training sissification and petticoat punishment are introduced boys who resist sissification are put into tight corsets and undergo complete petticoat punishment the new girls are started on vitamin pills which are in fact female hormones at the age of 14 or 15 a regimen of extra female hormones and anti androgen tablets is added by the time they are in the sixth form most stage four transitioning girls are practically indistinguishable from their genetically female friends what happens at stage five well you will need to read the story to find out deborah s decision deborah has to choose between a rich and successful businessman and a rather feminine australian boy whom she meets at work when she has a night out at a nightclub in london deborah encounters a beautiful young woman who turns out to be tim the young australian who will deborah choose the rich businessman or the australian girly boy

the groundbreaking guide to trans history in america revised and updated for a new political era transgender history is the modern classic on transgender life in america since the nineteenth century encompassing the major movements writings and events that shape today s gender revolution susan stryker s sweeping intersectional account charts more than a century of history showing how rising acceptance in the 1960s and 2010s was met with waves of bigotry and intolerance that

began in the 70s and continue today through her explanation of central concepts and terms informative sidebars and brief biographies of trans pioneers stryker reminds readers of one crucial truth transgender people have always been here in good times and bad they ve built supportive and expansive communities battled for freedom and transformed american culture and society in the process now completely revised and updated including a longer global history and a timely chronicle of the latest wave of anti trans backlash transgender history remains both a vital resource and a powerful testament to the enduring legacy of trans lives
